Task 2

Strategic Planning

The BAF and the annual financial statements provide a certain amount of known information about our client. But as an auditor you dive even a bit deeper. We use internal and external sources to learn more about the client and his current situation:

Internal

- Discussion with the management/CEO
- Minutes of meetings of the Executive Board
- Minutes of meetings of the Board of Directors
- Inspection of the budget for the current year
- Inspection of bank and financing documents (covenants)
- Business plans for major (investment) projects

External

- Customer's website
- Press articles
- Industry associations and similar
- Regulatory changes
